

love_local_bingo

Let's show some love and support to our local businesses! It has been a difficult year for independently owned, non-chain businesses in the Kingsville and Harrow area. Complete the tasks and send your photo evidence to love_local_bingo on Instagram. Each task gives you a chance to win weekly prizes. We are looking for selfies, pics of purchases and screenshots and will post our favourites. Tell us when you have a full card so we can verify your messages and enter you for the grand prize.
